1. Product Description:

- Leather bags, seats, and accessories.
- Material: 100% vegetable tanned bull leather, Made in Italy.
- Additional Features: Guaranteed premium quality, certified sustainability, antibacterial, breathable, durable, hypoallergenic, safe for both the environment and individuals.

2. Potential Risks:

These are safe products:

- Free of risks or containing reduced risks that are compatible with their use and acceptable within the context of high standards for health and safety.
- Designed to be used normally or in a reasonably foreseeable way.
- Suitable for safe use by consumers belonging to categories at risk. **Not suitable for children.**

3. Safe Usage Instructions:

- Where necessary, consult installation guides in PDF or installation videos available on the product page. Ends Cuoio SRL is not liable for damages caused by incorrect product installation.
- **Do not use the product for purposes other than its intended design.**
- **Storage and Cleaning Instructions:**
 - Do not wet the product within the first month of use. For the initial cleaning, use a 100% cotton cloth slightly dampened with warm water, wipe gently, and let the product air dry, avoid exposure to direct heat sources or sunlight.
 - To revitalize the color of leather, apply a natural sponge lightly soaked with vegetable oil evenly across the product, paying special attention to the stitching. Remove any excess oil with a dry cotton cloth.
 - **Color variations over time are normal** and should be considered a unique feature.

4. Precautions:

- Our products do not have particular usage precautions or health and safety risks.
- Products are shipped in cardboard packaging, without any plastic wrapping or bags, to prevent the risk of suffocation.

5. Compliance and Certifications:

- Our products come from tanneries certified by the "Consorzio Vera Pelle Italiana Conciata al Vegetale," ensuring eco-friendly processing methods that are safe for people.
- The slow tanning process uses only vegetable-based tannins and strictly respects nature.

6. Disposal:

- Leather products should be disposed of in general waste.
- Our products are designed for long-term durability. We recommend disposing of them in yellow clothing collection bins for recycling, available in your local municipality.

7. Contact for Reporting Issues:

- In case of defects or safety issues with the product, immediately contact Ends Cuoio SRL via email at endscuoiosrl@gmail.com or by phone at +39 0697236040.

Declaration of Conformity:

We, Ends Cuoio, declare that the above-described products meet all applicable safety regulations as established by European Union legislation.
